Key Figures (2009)

231 Exhibitors from 16 countries

Exhibition area : 12.000 sqm gross

Visitors : 17.258 from 57 countries

Some Keyplayers exhibited at Renex 2009

- ABB
- Anel Energy
- August Friedberg
- Bauer Solar
- Ecowind
- E.N.O. Energy
- Euro Solar
- IBC Solar
- Kintech
- Phono Solar
- Schüco
- Sharp Solar
- Stäubli
- Vestas
- Ambau GmbH
- Arcelik
- Baymak
- Buderus
- Enallatiki
- Energetica
- Ezinc
- IDS AG
- Merk Solar
- RES
- Sena Energy
- Sogut Energy
- Steca
- Yingli

Explore the Enormous Potential in Turkey

Turkey's Energy Market

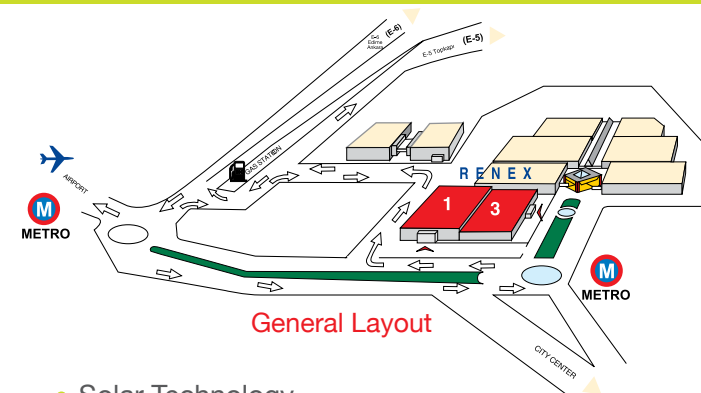

- Seventh largest energy market in Europe
- Annual increase of energy consumption by 8% until 2016 estimated
- Currently 70% of the energy consumption is imported
- Commitment to have 20% of energy created with renewable energy until 2020 (EU Standard)
- Contains a large unused potential for the use of renewable energy
- *Photovoltaics*: average 7,2 hours of sunshine every day
- *Wind*: 8000 km coastline and almost perfect conditions for wind energy
- *Geothermal*: With 170 areas of geothermal heat and 1000 thermal sources, world's fifth largest potential for geothermal energy

RENEX 2010 Your Benefits

- Only exhibition in Turkey including the complete ranges of renewable energy related products and services
- Synergies from exhibition and conference at the same time
- Ideal platform for networking with experts
- Meeting point of politicians, entrepreneurs and investors
- Worldwide marketing through the network of Deutsche Messe worldwide group
- Long-term experience of the organiser guarantees professional and high-quality services

Key Areas

- Solar Technology
- Wind Energy
- Geothermal Energy
- Hydro Energy
- Bioenergy
- Cogeneration
- Energy Efficiency and Renovation
- Decentralized Energy Management
- Heat Pumps
- Water Purification, Treatment Systems and Equipment
- Related Services

Early Bird Discount: 10 Euro / sqm Until: 30 April 2010

Participation Option

Option 1

raw space only

Indoor : 130 €/m² + 18% VAT

Outdoor : 75 €/m² + 18% VAT

Option 2

space and shell scheme

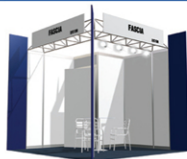

145 €/m² + 18% VAT

Option 3

space and special design shell scheme

170 €/m² + 18% VAT

Option 4

International pavilion

185 €/m² + 18% VAT
